Go to <https://app.communibee.ca/#/login>.

- Sign in or create an account if this is your first time.
- Choose the "register" option to create a new account.
- Once on the app site search for "Wedgewood Ravine Community League" (see image below) and hit "join."

The screenshot shows the "Join A Community" screen in the CommuniBee app. The header is green with the text "Join A Community" and a share icon. Below the header are two tabs: "FIND COMMUNITY" (active) and "MY COMMUNITIES". A search bar contains the text "Wedgewood Ravine" with a magnifying glass icon on the left and a close icon on the right. Below the search bar is a dropdown menu labeled "Select City". The search results show a card for "Wedgewood Ravine Community League" with a logo featuring trees and the text "Wedgewood ravine". At the bottom left of the card is a location pin icon and the text "EDMONTON", and at the bottom right is a "JOIN" button with a right-pointing arrow.

Once you've joined our community, select the "Browse Shop" option and it will bring you to the following screen. Choose the "membership" option for residents that have paid their HOA fees.
